

# **Middle School Cell Phone Usage Policy**

## ***Service & Worship Times***

Bible reading and note taking applications are useful tools, and it's our desire to trust students in using them responsibly. As for social media apps, games, and any other distracting platforms, please refrain from using these during service and worship times.

## ***Small Groups***

Phones will no longer be allowed in a small group space. Please keep your phone in your bag or in your small group's phone collection bucket.

## ***Trips***

Phone use is permitted on trips only during the van/bus ride to and from our destination. After arrival, all phones will be collected and locked away in a secure place. If parents need to communicate with a student, they may do so via the director or a volunteer; emergency contact information will be distributed in advance of the trip.

## ***Events***

During events, phones should be put away at all times.

Thank you for your cooperation on these policies.
