LOYALTY

Lots of people claim to be loyal and loving but where on earth can you find one? (The Message) Proverbs 20:6

Devo's Start: May 9, 2019

Dear Fellow Servant,

You never know what you will find when you start diligently searching God's Word!

As disciples of Jesus Christ, we all need to spend time discovering what the Lord is "saying" to us. This little booklet is one small tool for you to use. I hope you will learn many new things through your own searching of the Scriptures.

Each week, you will have a Bible verse at the bottom of the page that captures the one word or character quality being emphasized for the month. What's the character quality for this month? (

In addition to discovering God's plans for you, did you know that you can talk to God by using His Word, the Bible? You can also hear from God by using His Word as well.

For example, you could say, "Lord, when I am afraid, I will trust in You. In You God, whose words I praise, in You I trust. I will not be afraid. What can man do to me?"

You just prayed through Psalm 56:3-4! Or maybe God would speak that same verse back to you...

"_____ (put your name here), when you're afraid, put your trust in Me. Praise My name and trust Me. Do not be afraid. What can man do to you that I, your God, can't take care of?"

Isn't that the greatest? God speaks His Word to you, and you can use it to speak to Him!

Every day, you will find a Scripture address to look up in your Bible. You may want to write out the verse and pray it like we just did. Or you might want to read the verse and write down what God is saying to you through it. Enjoy your journey!

Miss Dawn

At the bottom of the week you will see:

Praise **R**epent **A**sk **Y**ield

That's a reminder of things to talk to God about this week.

- P ➤ PRAISE.** Always remember to praise God. He's the Lord, and He's worthy!
- R ➤ REPENT.** Check your heart. If there's something not right, repent and ask God to forgive you.
- A ➤ ASK.** When our hearts are right, we can bring our requests to God and know that He cares.
- Y ➤ YIELD.** Remember to listen to what God says to you. The Lord has great plans for you!

Bring your journal to class each week and have someone in your group check it to see your progress. If you didn't miss a day they will sign it on the back. If you have someone sign it for each week you will earn a pin recognizing that you have spent the time each day reading and praying to god.
