Memory Verse: Hebrews 1:1-2a NIV

Long ago in many ways and at many times God's prophets spoke his message to our ancestors. But now at last, God sent his Son to bring his message to us.

The goal of these questions is to foster meaningful discussion and to encourage participants to reflect on God's Word to lead to heart transformation. Feel free to modify or expand upon these questions based on the dynamics and needs of your Small Group.

Big Idea: A faith that saves is a faith that continues to grow and mature.

Read Hebrews 6:1-12

1. What does it mean to you to "leave the elementary doctrine of Christ and go on to maturity?" How have you experienced spiritual growth in your own life? In what areas of your faith do you feel you need to mature further?
2. What does the author say are the fundamental or basic doctrines that form the foundation of our faith? Which of these foundational doctrines do you feel most confident in, and which do you struggle with understanding or applying?
3. The passage mentions things like "tasting the heavenly gift" and "sharing in the Holy Spirit." How have you experienced these things in your walk with God? The author warns against those who fall away after experiencing these things. What are some temptations that might lead someone away from their faith?

4. The author expresses confidence that the readers are on the right path. What things in your life give you confidence in your faith? How can you stay "diligent" in your faith journey? Think about someone who inspires you with their faith and perseverance. How can you learn from their example?
5. Verse 12 encourages us not to be lazy but to imitate those who through faith and patience inherit what has been promised. Who are some people from the Bible who were faithful and patient? Who are some people in your life today that embody these traits? What do you find most challenging about being patient?

Read Hebrews 6:13-20

6. Hebrews 6:13-15 speaks of God's promise to Abraham and how it was fulfilled. What promises of God do you hold on to in your own life? How have you seen His faithfulness to His word and to you?
7. The author tells us these things about God so that we may be "greatly encouraged." How does God's immutability provide comfort and stability in a world where change and uncertainty are all around? What do you find encouraging about God's immutability? When witnessing to others about your faith, how can you incorporate the truth of God's immutability to provide hope and assurance?
8. What is the hope that serves as an anchor for our soul? How have you found this anchor has kept you firm and secure? What are some of the storms that have tried to push against you? What does this metaphor mean to you?
