

## NEAR

2020 has been one of the most challenging and disruptive years that many of us have ever experienced. Countless individuals and families are feeling discouraged, frustrated and down and out. If you're weary and disenchanted, you likely need some specific truths and promises that will help encourage and reorient your current mindset. Through our next message series, NEAR, we will investigate and reflect on God's heart for sinners and sufferers. Don't miss this opportunity to be encouraged as well as to invite your family and friends to experience God's heart for them.

Pastor Jay Haugh

### Pursue God

#### *Immersed in Scripture*

As we investigate the heart of God, it would be helpful to reflect on who you think God is and how He views you. Each week spend time on your own ruminating over the following questions. Record your thoughts so you can look back at how God is changing and shaping you.

When you think of God what image comes to mind? What words would you use to describe God?

When God thinks of you what does He see? What words would He use to describe you?

How do your answers to 1 and 2 affect your relationship with God?

### Pursue Others

#### *Engage One Another & Our Community*

God has enlisted His people to love, serve, and reach those who have not yet submitted their lives to Him.

A small group willing to embrace this call takes intentionality. It is in our small groups where we best learn and grow in our faith.

We encourage your group to spend some time allowing people to share what they learned from God's Word in their own personal time. In addition, spend time sharing what God is teaching you through our NEAR series.

### Practice His Ways

#### *Adopt the Lifestyle*

J. I. Packer offers four measurements to help determine how well we see God. Where would you rate yourself this week on the following scales?

#### **Do you have energy for God and His work?**

When you have an accurate view of God, you have energy to get into His Word. When you see people in need, you have energy to move in for God and to pray. Where do you fit on the continuum today?

LOW ENERGY      1 2 3 4 5 6 7 8 9 10      HIGH ENERGY

#### **What are your thoughts about God?**

Do you find your mind stimulated as you anticipate thinking about God? What comes to mind when you quiet your mind to pray? How often in your prayer time do you find yourself overwhelmed with God's majesty, glory, righteousness, holiness, or greatness?

LOW THOUGHTS      1 2 3 4 5 6 7 8 9 10      HIGH THOUGHTS

#### **How bold are you?**

People with an accurate view of God are bold in their choices and convictions without being controlled by what other people think. Among the early apostles, the greatest evidence of being filled with the Holy Spirit had nothing to do with gifts, but rather with boldness.

LOW BOLDNESS      1 2 3 4 5 6 7 8 9 10      HIGH BOLDNESS

#### **Are you content?**

An accurate view of God gives peace that surpasses understanding. When you know God is for you, you can encounter difficulties with confidence because the King of the universe with His unlimited resources and who gave up His son dwells in you.

LOW CONTENTMENT      1 2 3 4 5 6 7 8 9 10      HIGH CONTENTMENT

## NEAR

**Message 6:** *His Intercession*

**Hebrews 7:25**

**Sunday, December 27, 2020**

**Big Idea:** *Jesus is continually praying for you by name to God the Father.*

1. What is your one-word summary of Hebrews 7:25?
2. What does it mean that Jesus is interceding for you?
3. How is it reassuring for you to know that Jesus is interceding on your behalf?
4. Read 1 John 2:1-2. If God sees your sin for what it is, and Jesus is advocating for you, how does knowing this change you?
5. How does knowing that Jesus is praying for you by name change your view of 2021?
